**Combined Privacy Act Notice and Tennessee Warning**

We are committed to ensuring the privacy of individuals and/or families who have contacted us for assistance. We realize that the concerns you bring to us are highly personal in nature. We assure you that all information shared both orally and in writing will be managed within the limitations of law. Please read the disclosures and acknowledgements outlined below carefully.

Private data requested to enable processing of your application is legally required to determine if you qualify for participation in this Habitat for Humanity program and to help Habitat for Humanity manage the program.

Depending on the type of assistance being provided, either grant or loan assistance, different disclosures apply. For grant assistance, your name and address are private data. For loan assistance, your name and address are public data. Regardless of whether you receive grant or loan assistance, the amount of assistance you receive is public data.

With both grant and loan assistance, all other data we create or collect from you, including financial information, such as credit reports, financial statements and net worth calculations, are classified as private data on individuals under Minnesota Statutes sections 462A.065 and 13.462, subdivision 3. You are not required to provide this information, but if you refuse to provide it we will be unable to determine your eligibility for this program and approve your application. Both the public data and the private data may be shared with nonaffiliated third parties as permitted by law, including Habitat for Humanity of Minnesota, the Federal Home Loan Bank and Minnesota Housing Finance Agency (MHFA) and staff whose jobs require them to see it in connection with our normal operating practices.

Where access to the data is authorized by state statute or federal law, it may be made available to others as so authorized.

Under the Privacy Act of 1974, you may refuse to provide your Social Security Number (SSN) and it will not affect your eligibility for assistance. Disclosure of your SSN for the purpose of verifying your income and credit is voluntary. However, if adequate verification of your income and credit is impossible without your SSN, we may be unable to determine your eligibility.

If you agree to allow us to create, collect and share information as described above, please indicate approval with your signature below.

### EQUAL CREDIT OPPORTUNITY ACT NOTICE

The Federal Equal Credit Opportunity Act prohibits creditors from discriminating against credit applicants on the basis of race, color, religion, creed, national origin, sex, sexual orientation marital status, age (provided the applicant has the capacity to enter into a binding contract); because all or part of the applicant's income derives from any public assistance program; or because the applicant has in good faith exercised any right under the Consumer Credit Protection Act. The Federal Agency that monitors compliance with this law concerning North St. Louis County Habitat for Humanity is the Federal Trade Commission, with offices at FTC Regional Office for Midwest Region, Federal Trade Commission at 55 West Monroe Street, Suite 1825, Chicago, IL 60603 or Federal Trade Commission, Equal Credit Opportunity, Washington, DC 20580.

You need not disclose income from alimony, child support or separate maintenance payment if you choose not to do so. However, because we operate a Special Purpose Credit Program, we may request and require, in order to determine an applicant's eligibility for the program and the affordable mortgage amount, information regarding the applicant's marital status; alimony, child support, and separate maintenance income; and the spouse's financial resources.

Accordingly, if you receive income from these sources and do not provide this information with your application, your application will be considered incomplete and we will be unable to invite you to participate in the Habitat program.
